As some of you may know, the GIVESENDGO donation platform was hacked, and anonymous donations made to the Freedom Convoy 2022 became public. Below is a statement of why we support the Freedom Convoy 2022.

For over forty years in business, truckers have delivered thousands of loads to our factory and hundreds of thousands of machines to our customers. Tens of thousands of truckers use our machines and are our valued customers. These truckers are salt of the earth people with the biggest hearts, and how the government and media portray them is not true.

We thank them when we can, but we rarely get the opportunity to support them when they are in need, and they are in need right NOW. We are thankful to be blessed enough to support their efforts to do what they have to do in a peaceful way until the government removes the mandates to restore all our freedom as pre-Covid.

We drove to Ottawa this weekend and witnessed the protest for ourselves. They have a beautiful, legal, peaceful protest that overwhelmed us with emotion. To see the love, peace, and unity that many of us have longed for, for a long time – It was an experience of a lifetime.

This will go down in the history books of our nation.

“2022 was the year that truckers, from all walks of life, from coast to coast, with one mission in mind, came together in what they called the “Freedom Convoy 2022” and restored Freedom to our Country.”

Our company and my family are proud to stand with these men and women as they uphold the Charter of Rights and Freedoms of our great nation.

We are the True North – Strong and Free!
